

Church sets live Nativity

Published 12/10/2009 - 3:22 p.m. CST

The story of the birth of our Lord and Savior Jesus Christ is familiar to many, as books, TV programs, radio shows, and songs for years have shared Mary's journey to Bethlehem and much of what followed. However, it is not every day that we get the opportunity to truly experience the spirit that must have filled the air on the night that our Lord entered this earth.

Chisholm Baptist Church would like to extend an invitation for you to join them to share "A Night in Bethlehem." This live Nativity scene, complete with animals, elaborate costumes, live narration, and singing will take you back in time and fill your heart with the warmth and hope given to us through the birth of Christ and his promise of salvation.

There will be multiple performances on both Friday, December 11th and Saturday December 12th; from 7pm to 9pm. Visitors will have the opportunity to visit with CBC's pastor, Brother Rocky Weatherford, and share refreshments in the vestibule following each presentation.

Chisholm Baptist is providing this blessing of educational and inspirational entertainment completely free. The members and staff of Chisholm Baptist Church offer this ministry as our gift to the community.
